Application No. 10/783,315	:	ON PETITION
Filed: February 20, 2004	:	
Attorney Docket No. 3017A.EEM	:	
For: WATERBASED HIGH ABRASION RESISTANT COATING	:	

This is a decision on the petition under 37 CFR 1.181, filed February 22, 2005 (certificate of mailing date February 17, 2005), requesting that the Office withdraw the holding of abandonment of the above-identified application.

The petition under 37 CFR 1.181 is **DISMISSED AS MOOT**.

This application was held abandoned for failure to respond to Notice to File Missing Parts of Nonprovisional Application, mailed May 17, 2004, which set an extendable two month period for reply. The Office contended this application became abandoned on July 18, 2004 for failure to reply. A Notice of Abandonment was mailed on February 10, 2005.

The Office of Initial Patent Examination mailed a Withdrawal of Previously Sent Notice on May 24, 2005 that informed applicants that the Notice of Abandonment, mailed February 10, 2005 was mailed in error. The May 24, 2005 Notice enclosed a filing receipt.

In light of the above, the petition under 37 CFR 1.181 is dismissed as moot. No petition fee has been or will be charged in connection with this matter.

After the mailing of this decision, the application file will be forwarded to Publications Division for processing into a patent.

Telephone inquiries pertaining to this matter may be directed to the undersigned at (571) 272-3230.
